

# Cognitively Guided Instruction

3 days of Level 2 training!!

For Grade K-6 Teachers who have previously  
attended a CGI beginner training

Presenters: Ben Avila, Laura Bolton, Kelly Mahoney  
Instructional Leadership Corps Members

Level 2 CGI Teachers will:

- Refresh and deepen your understanding of problem types
- Extend your knowledge of student strategies
- Expand your use of questioning
- Focus on formative assessment
- Have a day of break out sessions for primary and upper grades
- Increase knowledge of students' understanding of fractions
