

Join us as we analyze the difference between “lesson planning” and “preparing the kitchen,” and leave with loads of free resources to make math meaningful for your students.

We are inviting all CMC Central as well as SJVMP Alumni. Seating is limited, so register early -- you will not want to miss this amazing opportunity!

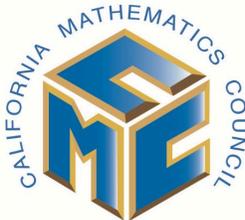

John Stevens

An instructional math and technology coach for Chaffey Joint Union High School District, John has also taught high school Geometry, Algebra 1, middle school Math, Service Learning, and Robotics, Engineering, and Design since 2006. He has served as the go-to guy for trying new, crazy, and often untested ideas to see how well they will work.

The Classroom Chef

John Stevens
