What Happens Next After I Submit My Credential Application

Applications are processed in the order they are received. Processing time can take up to 20 business days during peak periods (January – February, July – September).

After the Credential Analyst recommends your credential application to the Commission on Teacher Credentialing (CTC), you will receive three email notifications.

CTC Email #1: You will receive an automated email from the CTC titled “**CTC Notice – Recommendation for New Document**”.

Follow the instructions in this email to complete your part of the online process.

CTC Fee: The CTC fee for your credential is **\$102.65**. A valid email and credit/debit card are required. *The fee will be less if you hold a current Certificate of Clearance.* You will only be allowed to pay the fee after you have received this email notification.

HELPFUL TIPS!

- Review the Document Title and Term in the email for accuracy.
- Review the instruction video ([LINK](#)) before proceeding as you may apply for the incorrect credential and will have to pay the fee again. There are no refunds.

Keep in mind you are **not** applying for a Certificate of Clearance or Activity Supervisor.

- The recommendation of a credential expires within 90 days of it being recommended. CTC will delete your application off their website if you do not complete your part of the online process. You will need to pay the \$25 processing fee again for the Credential Analyst to re-submit your credential application.

CTC Email #2: Payment Confirmation

Prior to receiving your final email, your local County Office of Education (COE) credentials department will accept this payment confirmation email as a temporary confirmation until your document number is issued.

If you have a conviction record or you have answered yes to any of the fitness questions, your application process may be delayed as CTC verifies your information.

CTC Email #3: After CTC completes their review, you will receive your document number.

You must register a copy of the final CTC email with your document number at your local COE credentials department. Contact your local COE for their registration process as each COE is different.

The average processing time is approximately 7-10 days after payment.
