# MADERA TEACHER RESIDENCY PROGRAM

**Residents:** You are two-thirds of the way done with your second semester (Phase 2)! Bravo! This has been an extraordinarily challenging semester and we are so proud of you and your continued work with your students and mentor teachers.

**Webinar Series:** Enseñamos en el Valle Central Initiative's Anti-Racist Webinar Series continues this Thursday, **October 22nd 4:00-6:00 PM, with "Anti-racism across Disciplines and Content."** Click [here](#) to RSVP.

Our next **Mentor Teacher Learning Community** will take place on **October 28th at 3:30 PM**, with a focus on socio-emotional teaching and learning.

During our MTRP Cohort II Information Session last week, we had close to 90 RSVPs, and about a third of that attended our virtual session. We are confident that we will have wonderful group of residents in our MTRP Cohort II.

## SHOUT OUTS

Shout out to the Residents in kinder (Alejandra and Edgar) for conducting their own breakout rooms simultaneously while the mentor teacher and para worked with other groups of students. And for participating in the kinder PLCs on Wednesday mornings before their Fresno State class. It's been awesome to see their dedication and participation with their kinder team! -**Nora Guillén & Principal Ochoa**
