MADERA TEACHER RESIDENCY PROGRAM

Residents and Mentor Teachers: Mrs. Lucero and Dr. Herrera will be calling a meeting to go over the **Multiple Subject Credential Program - Clinical Practice Agreement for EHD 178**.

A document that is to be reviewed during a triad meeting with the Resident, Mentor Teacher, and University Coach. Attached to this email is the document for your review. Keep in mind that the document presents a **recommended** timeline with accompanying tasks, many of which residents have already been engaging in. We will make adjustments as needed during this time of remote learning. We will send a Doodle Poll to all involved to find a common time to review these together.
