

Apply for the P-16 Fresno Drive STEM Teacher Scholarship

HAVE YOU EVER CONSIDERED TEACHING CHILDREN SCIENCE AND MATH?

Para-professionals can join a virtual cohort of future science, technology, engineering, and mathematics (STEM) teachers. Fresno Unified has partnered with local universities and colleges to streamline your path to teaching. You will be able to take courses that will help you obtain a teaching credential, and we will assist you along the way.

APPLY HERE  bit.ly/FresnoSTEM

Begin courses as early as January.

Preference will be given to applicants who are members of under-represented groups of science, technology, engineering, and mathematics.
