

How well is Fresno doing at preparing candidates who reflect the demographics of the students they serve?

Population

- CSU credential completers
- Hired CSU credential completers
- Hired CSU credential completers retained for >2 years
- Students in schools where CSU hired credential completers teach

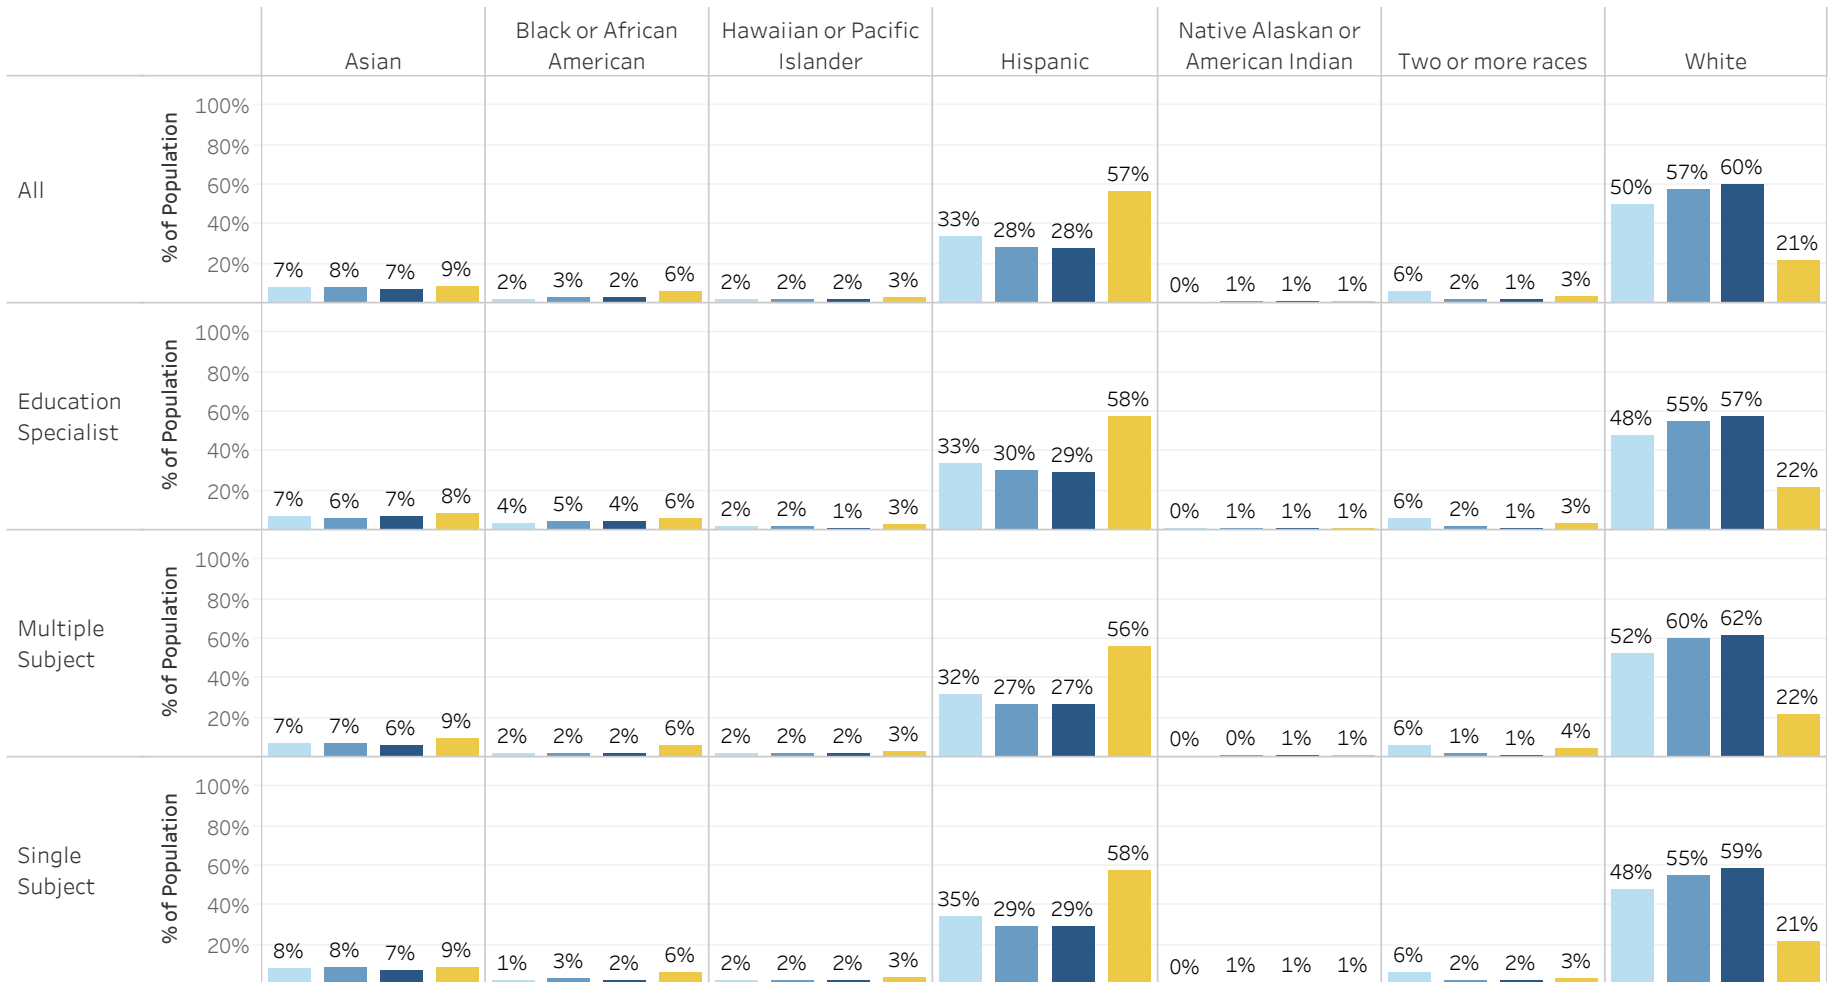

- Notes:
1. Demographics of **CSU credential completers** are estimated based on responses to the CSU completer survey from 2015-16 through 2017-18.
 2. Demographics of **hired CSU credential completers** are estimated based on CDE public school employment data from 2015-16 through 2017-18.
 3. Demographics of **hired CSU credential completers retained for >2 years** are estimated from CSU completers who found employment in 2015-16 and remained employed for two subsequent years.
 4. Demographics of the **students hired CSU credential completers teach** are estimated using school-level demographic files published by the CDE.

How well is the CSU system doing at preparing candidates who reflect the demographics of the students they serve?
