Question	Preceptor Comment:	Notes/Action
1. How pertinent is course content	<p>Average Score:</p> <p>97.9% of preceptors stated the course is Extremely or Very Pertinent</p> <p>2020-COVID will change school nursing, especially the idea of isolation rooms, distance protocols, managing students with special needs, IEP plans. It was very valuable to discuss these areas while undergoing change.</p> <p>This program is very important for school nurses in California.</p>	Overall preceptors need more information about the program requirements.
2. What other experiences should be included?	<p>2018</p> <p>None</p> <p>Add vaccine clinics in case of “outbreak” and “Stop the Bleed Programs”</p> <p>Job Shadowing a Public Health Nurse</p> <p>How to work with Administration</p> <p>Gender identity Issues</p> <p>Objectives were comprehensive</p> <p>Mental and Psychological management of students</p> <p>More data eval to relate nursing interventions to data</p> <p>2019</p> <p>Universal Preschool</p> <p>Great curriculum!</p> <p>All activities are relevant.</p> <p>Well rounded experience.</p> <p>Visiting other districts</p> <p>More visits to agencies and COE</p> <p>On site visit by University staff would be great.</p> <p>The program is extensive.</p> <p>Include SARB and Board Meetings into the practicum.</p> <p>The secondary semester offered many opportunities for growth.</p> <p>Integrate online trainings and make them mandatory. Include: Epilepsy Foundation, Vision Training (CSNO), Narcan Training, Heads Up Concussion Training.</p> <p>How to use data to illustrate need or program effectiveness.</p> <p>Increased communication with the Department of Public Health</p> <p>2020</p> <p>None-Maybe encourage students to become CSNO members</p>	<p>Students design their own practicum experience</p> <p>Done</p>

	<p>Make sure students visit other districts/sites to observe different models of school nursing. Add meet and great experiences to reduce isolationism with COVID Continue to allow a project for clinical hours.</p>	<p>Added Zoom meetings.</p>
<p>3. What activities would you eliminate?</p>	<p>2018 None Decrease emphases on theory other than cultural areas Decrease online Discussion Less paperwork and practicum hours</p> <p>2019 Scoliosis Screening as it is no longer mandated.</p> <p>All activities were relevant but a reduction in clinical hours would be nice. All activities are relevant.</p> <p>2020 None, all are relevant.</p>	<p>Scoliosis Screening is officially on hold but could be reinstated as a mandate. # of Clinical hours mandated but experiences optional</p>
<p>4. What changes could be made to improve your experience as preceptor?</p>	<p>2018 None Online Form Submission Fever Evaluations No changes needed Form to sign off hours Reduction in hours for working school nurses and paperwork Awesome experience Make sure preceptors are experienced. I am amazed how many school nurses do not know basic first aid...</p> <p>2019 None, the program was easy and very organized.</p> <p>Weblink to track student progress-streamline the processes. Online forms? Checklists are tedious and not realistic to remember dates of the competencies listed and 5 pages is excessive to initial. Please consider putting these forms online. Also consider using remote video conferencing verses phone calls for the student/preceptor/instructor meeting.</p> <p>Paperwork and journaling difficult to understand.</p> <p>Need a calendar of assignments to help student.</p> <p>2020 Direct contact information/phone call from instructor. None, I love being a preceptor. I am giving back to the many wonderful mentors I have had the privilege of working with.</p>	<p>A scheduled mid conference with the preceptor and student is scheduled in Oct.</p> <p>Students working full time are only required to precept 80 hours vs the full 135.</p> <p>All students must be CPR certified.</p> <p>We are moving to integrate online docu-forms and ZOOM meetings. Many instructors did use ZOOM for the mid conference.</p> <p>Syllabus has calendar of assignments due.</p>
