

COURSE EVALUATION SPRING 2018 N185

Thank you in advance for a wonderful year of education. I truly feel that I have gained a tremendous amount of knowledge that will serve to enhance my practice as a school nurse. It's been worth every minute. With sincere gratitude and respect,

I enjoyed the learning opportunities in this program and appreciated the pleasant and informative interactions with you via Blackboard and email throughout each semester. Thank you for a well-planned and organized program.

I want to thank you so much for your instruction and guidance this past year. It is a very rigorous program, but has been extremely beneficial. Thank you! Alisa

Thank you for your wonderful school nursing credential classes. I am grateful that I took your classes. I have more confidence in school nursing.

Thank you for the guidance as the moderator/instructor for the classes and facilitating my growth as a school nurse. R/, Stephen

I thank you Patricia for your undying patience and guidance. You and Candy are by far my favorite teachers in my life long career of nursing. Restfully, Sheryl Lawrie

thank you so much for your guidance through the entirety of the credential process. Stephen
