Collaborative Works/Projects (with public schools, community agencies, etc.)

Black Student Union and Ujima Project: Working with the Fresno County Office of Education leaders to build Black Student Union groups onto every middle and high school campus in the Fresno Area. I am the liaison for University High School and every month I take 5 of our students to collaborative training (adults and students) and assist students with creating projects to increase Black Student awareness and voices at school campuses.

Collegial Works/Projects (i.e., grants, articles, conference presentations, etc.)

Fall 2019, assisted with providing revised Comprehensive Exam questions for the School Counseling Program.

May 2019, Panelist Speaker on School Counseling Partnerships at the Kremen Education Center, Cesar Chavez Conference

Professional Development

CADA Convention, March 2020: Attended multiple sessions on teaching and developing leadership skills students will use for the rest of their lives as they learn to serve their schools, communities, and families. The convention provided tools and resources necessary to do just that.

Equity for All-Conference, March 2020: Able to learn from 3 nationally recognized equity experts and observe a Student Voice Panel where Valley students shared insights and advice to inform our efforts in creating equitable learning environments in schools. Networking opportunities around promising practices were learned.

ASCA National Conference, June 2019: Attended multiple sessions on the new changes to the ASCA National Model, career development strategies using technology, mental health practices in schools, and obtaining school counselor resources.

California State, Charter School Conference, March 2019: This conference brings about several presenters on charter school resources, funding, management, leadership, and resources.

NACAC Conference, September 2018: The conference brings together more than 6,500 secondary and postsecondary college admission counseling professionals to exchange ideas, hear from experts and learn more about the products and services that will enable them to accomplish their goals.

Honors (Optional)
