

STEPHEN D. ROBERTS, PhD, MBA, CRC, CLCP, CCC-A, FAAA

5440 North Pleasant Avenue ♦ Fresno, CA 93711

Residence: 559.431.4323 ♦ E-mail: stroberts@csufresno.edu

EDUCATION

Doctor of Philosophy, 2003 – California Coast University, Santa Ana, California

Major: Business Administration

Dissertation: Patient/family-centered care survey instrument: A reliability and validity study

Masters in Business Administration, 1999 – California Coast University, Santa Ana, California

Major: Business Administration

Doctor of Philosophy, 1979 – Wayne State University School of Medicine, Detroit, Michigan

Major: Audiology

Minor: Experimental Psychology

Dissertation: Electrophysiological measures of frequency selectivity in normal listeners

Masters of Science, 1976 – University of Utah, Salt Lake City, Utah

Double Major: Audiology and Rehabilitation Counseling (Deaf and Hard of Hearing)

Minor: Bilingual/Bicultural Education

Thesis: Incidence of middle ear pathology and hearing loss among children of migrant farm laborers in Utah

Bachelor of Arts, 1974 – California State University, Sacramento, California

Major: Speech-Language Pathology and Audiology

ACADEMIC UNIVERSITY POSITIONS

California State University (1980 to 2001; 2003 to Present)

Associate Professor, Audiology (2015 to Present)

CALIFORNIA STATE UNIVERSITY, Fresno, California

DEPARTMENT OF COMMUNICATIVE SCIENCES AND DEAF STUDIES

Taught undergraduate-level courses in “Neural Bases of Speech, Language and Hearing” and “Speech and Hearing Science” to students in Audiology, Speech-Language Pathology and Deaf Studies/Education. Taught graduate-level courses in “Graduate Studies and Research Methods in Communicative Disorders,” “Interviewing and Counseling” and “Aural Rehabilitation” to students in Speech-Language Pathology. In addition, taught graduate-level courses in “Research Methods in Deaf Studies,” “Audiology for Teachers of Deaf/Hard of Hearing,” “Supporting Families with Deaf/Hard of Hearing Children,” “Interviewing and Counseling” and “Aural Rehabilitation” to students in Deaf Education. Provided Clinical Supervision in the Audiology Clinic with graduate Speech-Language Pathology Students in “Advanced Audiology Practicum” course.

Lecturer/Part-Time Faculty (1980 to 1989; 2003 to 2015)

CALIFORNIA STATE UNIVERSITY, Fresno, California

DEPARTMENT OF COMMUNICATIVE DISORDERS AND DEAF STUDIES

From 2003 to present, taught graduate-level and undergraduate-level courses in “Introduction to

Graduate Studies and Research,” “Neural Bases of Speech, Language and Hearing,” “Speech and Hearing Science,” “Aural Rehabilitation,” and “Interviewing and Counseling in Communicative Disorders and Deaf Studies” to students in Audiology, Speech-Language Pathology, and Deaf Studies/Education. From 1980 through 1989, taught graduate-level courses in “Aural Rehabilitation,” “Differential Diagnosis of Auditory Disorders in Children,” “Hearing Aids/Instruments,” and “Individual and Group Research Project” to students in Audiology, Speech-Language Pathology, and Deaf Studies/Education.

Lecturer/Part-Time Faculty (1986 to 2001)

CALIFORNIA STATE UNIVERSITY, Fresno, California
DEPARTMENT OF COUNSELING, SPECIAL EDUCATION, AND REHABILITATION

Taught graduate course, “Counseling Exceptional Children and Their Parents,” to graduate-level students from various disciplines including Educational Psychology, School Counseling, Marriage and Family Therapy, Rehabilitation Counseling, Special Education, Audiology, Speech-Language Pathology, and Deaf Studies/Education.

Lecturer/Visiting Professor/Part-Time Faculty (1999)

SAN JOSE STATE UNIVERSITY, San Jose, California
DEPARTMENT OF COMMUNICATIVE DISORDERS AND SCIENCES
JEDDAH INSTITUTE OF SPEECH AND HEARING, Jeddah, Saudi Arabia

Taught graduate-level courses in “Aural Rehabilitation” and “Clinical Supervision of Aural Rehabilitation Practicum” to Speech and Language Pathology graduate students at the Jeddah Institute of Speech and Hearing in Jeddah, Saudi Arabia. Graduate students were from Arabic speaking countries throughout the Middle East including Kuwait, Jordan, Egypt, Saudi Arabia, Somalia, Sudan, and Yemen.

University of California San Francisco (UCSF) – Fresno, CA (1982 to 2003)

Assistant Clinical Professor/Part-Time Faculty (1982 to 2003)

UCSF – FRESNO MEDICAL EDUCATION PROGRAM, Fresno, California
DEPARTMENT OF PEDIATRICS

Taught pediatric and family practice residents in the UCSF - Fresno Medical Education Program. Topics included, “Identification and Management of Speech, Language, and Hearing Disorders in Children and Adolescents;” “Behavioral and Electrophysiological Testing Techniques with Infants and Children;” “Central Auditory Processing Disorders;” “Hearing Aids and Other Assistive Listening Devices, Aural Rehabilitation; and “Interviewing and Counseling Strategies.” Also, participated on a UCSF pediatric residency interview team for fourth-year medical students applying for their three-year medical residency program in pediatrics at the UCSF Medical Education Program located at Children’s Hospital Central California.

Wayne State University School of Medicine (1978 to 1979)

Lecturer/Graduate Assistant (1978 - 1979)

WAYNE STATE UNIVERSITY, Detroit, Michigan
DEPARTMENT OF AUDIOLOGY

Taught graduate courses to Audiology students in “Aural Rehabilitation” and “Clinical Supervision of Audiology Practicum” to Audiology students.

CLINICAL POSITIONS

Associate Professor, Audiology (2015 to Present)

CALIFORNIA STATE UNIVERSITY, Fresno, California
DEPARTMENT OF COMMUNICATIVE DISORDERS AND DEAF STUDIES

Provided Clinical Supervision in the Audiology Clinic with graduate Speech-Language Pathology Students in Advanced Audiology Practicum including diagnostic audiological assessments with children and adults.

Clinical/Rehabilitative Audiologist (1979 to 1993; 2009 to 2015)

VALLEY CHILDREN'S HOSPITAL, Fresno, California
CHILDREN'S HOSPITAL CENTRAL CALIFORNIA, Madera, California
DEPARTMENT OF SPEECH-LANGUAGE PATHOLOGY AND AUDIOLOGY

Provided diagnostic audiological evaluations; behavioral and electrophysiological differential diagnostic testing, hearing aid/assistive listening device evaluations; aural rehabilitation, and rehabilitation counseling services to infants, children and adolescents in Central California.

Rehabilitation Counselor Consultant/Contractor – United States Veterans (2003 to 2005)

DEPARTMENT OF VETERANS AFFAIRS – NORTHERN CALIFORNIA REGION

Provided specialized services to Veterans with multiple disabilities involving comprehensive vocational rehabilitation evaluations; interest, aptitude, ability, educational and personality testing; development of independent living programs; educational and college training plans; extended evaluations; job seeking skills, workshops; resume development; employment marketing and job finding services.

Rehabilitation Counselor Consultant (2003 to 2005)

VOCATIONAL DESIGNS, INC., Visalia, CA.

Provided services in vocational rehabilitation and disability evaluations; assistive technology for people with disabilities; ergonomics and work injury prevention programs; disability management programs; interest, aptitude, ability, and personality testing; labor market research and analyses; educational planning; employability/earning capacity evaluations; essential job function analyses; Americans with Disabilities Act consultations; Disabled Veterans Rehabilitation; and Vocational expert litigation support services involving personal injury and wrongful termination.

Co-Owner and Vice President of Operations/Clinical/Rehabilitative Audiologist (1984 to 1987)

SAN JOAQUIN SPEECH PATHOLOGISTS AND AUDIOLOGISTS, INC., Fresno, California
NORTHWEST SPEECH AND HEARING CENTER, Fresno, California
HANFORD SPEECH AND HEARING CENTER, Hanford, California
MERCED SPEECH AND HEARING, Merced, California

Co-Owner and Vice President of Operations on the Board of Directors for San Joaquin Speech Pathologists and Audiologists for the following centers: Northwest Speech and Hearing Center in Fresno; Merced Speech and Hearing Center in Merced; and Hanford Speech and Hearing Center in Hanford. Provided diagnostic audiological evaluations; hearing aid evaluations and fittings; aural rehabilitation; and rehabilitation counseling services to adults in the following centers: Northwest Speech and Hearing Center in Fresno; Merced Speech and Hearing Center in Merced; and Hanford Speech and Hearing Center in Hanford.

Marriage and Family Therapist (Registered MFT Intern) - Part Time (1981 to 1984)

NORTHWEST FAMILY, INC., Fresno, California

Provided individual counseling; group counseling; marriage, child, and family counseling; parenting workshops; seminars in effective communication skills; and alcohol and substance abuse counseling.

Ph.D. Traineeship/Clinical Audiologist (1978 to 1979)

VETERAN'S ADMINISTRATION MEDICAL CENTER, Allen Park, Michigan
DEPARTMENT OF SPEECH-LANGUAGE PATHOLOGY AND AUDIOLOGY,

Provided diagnostic audiological evaluations, behavioral and electrophysiological differential diagnostic testing, hearing aid evaluations, electronystagmography (vestibular testing), hearing aid evaluations and fittings, aural rehabilitation, and rehabilitation counseling services to Veterans.

Rehabilitative Audiologist - Part Time (1978 to 1979)

PROJECT HEAR AND NOW, WINDSOR SENIOR CITIZEN CENTER, Windsor, Ontario, Canada

Provided diagnostic audiologic assessments, and aural rehabilitation/counseling services to senior citizens throughout southern Ontario, Canada.

Clinical Audiologist - Part Time (1976 to 1978)

GREATER DETROIT OTOLOGIC GROUP, Oak Park, Michigan

Provided diagnostic audiological evaluations, behavioral and electrophysiological differential diagnostic testing, hearing aid evaluations, and aural rehabilitation/counseling services.

ADMINISTRATIVE/EXECUTIVE LEADERSHIP POSITIONS

Vice President, Business Management and Integration (2007 to 2009)

US SCRIPT, INC, Fresno, California

Directed, managed, implemented and integrated new business opportunities, functions, and processes for US Script. This included providing executive oversight and collaboration with Centers for Medicare & Medicaid (CMS) Services, Centene Corporate, Centene Health Plans and US Script to ensure success development, management, and implementation of the company's Part D Prescription Drug Benefit program for Centene Medicare Advantage Health Plans in Wisconsin, Ohio, Arizona, and Texas.

Chief Operating Officer, Vice President Operations (2005 to 2007)

US SCRIPT, INC, Fresno, California

Directed administration, coordination, and evaluation of the operational functions of the following departments at US Script, Inc: Client Services, Customer Services, Clinical Pharmacy Services, Information Technology/Services, Provider Network/Contract Services, Quality Improvement, Risk Management/Compliance, and Facilities Management. This included executive oversight of pharmacy management services with US Script, Centene Corporate and Centene Health Plans in New Jersey, Georgia, Indiana, Wisconsin, Ohio, Arizona, and Texas. This included the coordination of operations at RxDirect, Inc., a wholly owned subsidiary of US Script, Inc. located in Texas.

Executive Director (2001 to 2003)

CHILDREN'S HOSPITAL CENTRAL CALIFORNIA, Madera, California
DIVISION OF DEVELOPMENTAL, GENETIC, NEUROLOGIC AND REHABILITATIVE CARE

Directed administration of the operational, financial, performance-improvement, and human resource functions of 4 Divisions including over 20 Departments (\$13 million operations budget):

- Communication and Neurosciences: Neurology Clinic, Neurology Testing Center, Neuropsychology, Audiology, Speech-Language Pathology, Feeding Clinic, and Cranio Facial Anomalies Clinic.
- Developmental, Behavioral, and Genetic Services: High-Risk Infant Assessment Clinic, High-Risk Infant Follow-Up Services, Child Development Clinic, Preschool and School Age Services, Clinical Psychology, Psychiatry Services, Social Work Services, Genetic Medicine/Prenatal Services, Cytogenetics Laboratory.
- Medical Inpatient Rehabilitation: CARF-Accredited Pediatric-Family Centered Inpatient Rehabilitation Program and Comprehensive Medical Inpatient Rehabilitation Program, Rehabilitation Nursing, Rehabilitation Counseling/Therapeutic Recreation.
- Physical and Medical Rehabilitation: Physiatry Clinic, Physical Therapy, Occupational Therapy, Rehabilitation Assessment Clinic, Rehabilitation Follow-up Clinic, Rehab Engineering, MDA/Neuromuscular Disease Clinic.

Executive Director (1998 to 2001)

CHILDREN'S HOSPITAL CENTRAL CALIFORNIA, Madera, California
DEVELOPMENTAL, GENETIC, NEUROLOGIC AND REHABILITATION SERVICE LINE

Directed administration, coordination, and evaluation of the operational, financial, performance-improvement, and human resource functions of 4 Service Lines including over 15 Departments: Communication and Neurosciences; Developmental, Behavioral, and Genetic Services; Physical and Medical Rehabilitation, and Medical Inpatient Rehabilitation Center.

Administrative Director (1993 to 1998)

VALLEY CHILDREN'S HOSPITAL, Fresno, California
REHABILITATION SERVICE

Directed administration, coordination, and evaluation of the operational, financial, performance-improvement, and human resource functions of the Comprehensive Medical Inpatient Rehabilitation Program; Pre-Admission Referral; Physiatry; Audiology; Speech-Language Pathology; Occupational Therapy; Physical Therapy; Rehabilitation Engineering; Neuropsychology; Cranio Facial Anomalies Clinic; Rehabilitation Assessment Clinic; Rehabilitation Follow-up Clinic; Feeding Clinic and Muscular Dystrophy Clinic.

Administrative Director/Rehabilitation Counselor/ Audiologist (1987 to 1990)

VALLEY CHILDREN'S HOSPITAL, Fresno, California
CALIFORNIA STATE DEPARTMENT OF REHABILITATION ESTABLISHMENT GRANT:
"Audiologic Counseling and Work Readiness Program for Hearing-Impaired Young Adults"

Directed operations of the grant program; provided audiologic assessments, aural rehabilitation/counseling services; work readiness skills; independent living services; and job seeking skills as part of a community-based prevocational readiness program for Deaf and hard of hearing adolescents.

Administrative Director (1986 to 1993)

VALLEY CHILDREN'S HOSPITAL, Fresno, California
DEPARTMENT OF SPEECH-LANGUAGE PATHOLOGY AND AUDIOLOGY

Directed administration, coordination, and evaluation of the operational, financial, performance-improvement, and human resource functions of Speech-Language Pathology Services, Audiology Services, Cranio-Facial Anomalies Clinic and Special Clinics.

Supervisor (1979 to 1986)

VALLEY CHILDREN'S HOSPITAL, Fresno, California
DEPARTMENT OF SPEECH-LANGUAGE PATHOLOGY AND AUDIOLOGY
AUDIOLOGY SERVICES

Directed administration, coordination, and evaluation of the operational, financial, performance-improvement, and human resource functions of Audiology Services.

PROFESSIONAL LICENSES AND CERTIFICATIONS

Certified Life Care Planner (C.L.C.P.)

Since 2005, Certification #0865
INTERNATIONAL COMMISSION ON HEALTH CARE CERTIFICATION
13801 Village Mill Drive, Suite 103
Midlothian, VA 23113

Certified Rehabilitation Counselor (C.R.C.)

Since 2003, Certification #64210
COMMISSION ON REHABILITATION COUNSELING
1835 Rohlwing Road, Ste. R, Rolling Meadows, Illinois 6008

Licensed Audiologist (AUD)

Since 1979, License #AU-547
CALIFORNIA STATE BOARD OF MEDICAL QUALITY ASSURANCE
1426 Howe Avenue, #54, Sacramento, CA 95825

Certificate of Clinical Competence (CCC-A) in Audiology

Since 1977, Certification # 00517524
AMERICAN SPEECH-LANGUAGE-HEARING ASSOCIATION
10801 Rockville Pike, Rockville, Maryland 20852

Licensed Hearing Aid Dispenser

From 1983 to 1992, License # HA 1760 (note: expired, no longer current)
CALIFORNIA STATE BOARD OF MEDICAL QUALITY ASSURANCE
1426 Howe Avenue, #54, Sacramento, CA 95825

Marriage and Family Therapist (MFT)

From 1981 to 1990, #IMF 3866 (note: expired, no longer current)
CALIFORNIA STATE BOARD OF BEHAVIORAL SCIENCES
400 R Street, Suite 3150, Sacramento, CA 95814

PROFESSIONAL/COMMUNITY/AD HOC ADVISORY BOARD PARTICIPATION

Member, 2019 American Speech-Language-Hearing Association Convention Program Committee (CPC), Interprofessional Education and Practice, American Speech, Language, and Hearing Association, Rockville, MD, 2018 – present

Chair, California State University Fresno College of Health and Human Services Global Continuing Education (CGE) Self-Support IPE Committee, Fresno, CA, 2018 to 2019.

Member, Continuing Education Units Committee, California Speech-Language-Hearing Association, Sacramento, CA, 2017 – present

Chair, Outcomes Assessment Committee, Communication Sciences and Deaf Studies, California State University, Fresno, CA, 2016 to present.

Member, Outcomes Assessment Committee, Communication Sciences and Deaf Studies, California State University, Fresno, CA, 2015 to 2016.

Chair, Student Affairs, Alumni, and Scholarship Committee, Communication Sciences and Deaf Studies, California State University, Fresno, CA, 2019 to present. Chair, Outcomes Assessment

Interprofessional Education (IPE) Coordinator, Valley Children's Healthcare and California State University, Fresno College of Health and Human Services Interprofessional Education Collaborative, Fresno, CA, 2016 to 2020.

Member, Student Affairs, Alumni, and Scholarship Committee, Communication Sciences and Deaf Studies, California State University, Fresno, CA, 2015 to 2019.

Member, Admissions Committee, Communication Sciences and Deaf Studies, California State University, Fresno, CA, 2015 to present.

Member, Curriculum Committee, Communication Sciences and Deaf Studies, California State University, Fresno, CA, 2015 to present.

Member, Accreditation Committee, Communication Sciences and Deaf Studies, California State University, Fresno, CA, 2015 to present.

Member, Community Relations Committee, Communication Sciences and Deaf Studies, California State University, Fresno, CA, 2015 to present.

Member, Research Committee, College of Health and Human Services, California State University, Fresno, CA, 2015 to present

Member, Silent Garden Advisory Committee, California State University, Fresno, 2015 to present.

Member, California State University State-Wide AuD Workgroup, Chancellor's Office, Long Beach, CA, 2016 to 2018.

Member, Scholarship Committee, California Speech-Language-Hearing Association, Sacramento, CA, 2016 to 2018.

Member, Valley Children's Healthcare and California State University, Fresno College of Health and Human Services Interprofessional Education Collaborative: Improving the Quality and Safety of Pediatric Health and Social Care in the Central Valley, Fresno, CA, 2015 - 2016.

Member, Continuing Education Units Committee, California Speech-Language-Hearing Association, Sacramento, CA, 2015 - 2016

Member, California Speech-Language-Hearing Association Task Force on Central Auditory Processing Disorders. Developed the California Speech-Language-Hearing Association's Guidelines for the Diagnosis & Treatment for Auditory Processing Disorders (published in 2007), Sacramento, CA, 2004 to 2007.

Leadership Fresno, Class XVI, Chamber of Commerce, Fresno, CA, 1999 to 2000.

Vice President, Operations; Board of Directors and Executive Council, Exceptional Parents Unlimited, Fresno, CA, 1995 to 2004.

Member, Institutional Review Board/Human Subjects Committee, Children's Hospital Central California, Madera, CA, 1985 to 2003.

Chair, Advisory Committee, Department of Communicative Disorders and Deaf Studies, California State University, Fresno, CA, 1991 to 1998.

Member, Professional Advisory Committee (District 5), California Speech, Language and Hearing Association, Fresno, CA, 1991 - 1993; 1981 to 1983.

Member, Board of Directors, Self Help for Hard of Hearing People, Inc., Fresno, CA, 1986 to 1988.

Vice President, Board of Directors, Valley Advocacy and Communication Center, Fresno, CA, 1985 to 1988.

Member, Professional Development and Dissemination Center, California State University Fresno, Fresno, CA, 1980 to 1985.

GRANTS AWARDED

Roberts, S. D. (2019) *Application of self-efficacy training in group audiologic rehabilitation: An interprofessional collaborative model*. 2019-2020 Provost Faculty Scholarship Support Program Award. Amount awarded \$1,000.00

Roberts, S. D. (2017) *Assessing students and healthcare professionals competency learning from an inter-agency collaborative-sponsored IPE Workshop using the IPEC questionnaire: A Cross-Sectional Study*. 2017-2018 Provost Faculty Scholarship Support Program Award. Amount awarded \$5,515.00

Roberts, S. D., & Delich, N. A. (2016). *Role of communication self-efficacy training on the hearing loss-specific quality of life for both persons with hearing loss and their communication partners*, Chancellor's Office California State University, Fresno 2016 Research Scholarship and Creative Activities (RSCA). Amount awarded \$3,530.00.

Roberts, S.D., & Hutchison, H. T. (2002). *Reliability and validity of the comprehensive assessment measure of participation (CAMP)*, Children's Hospital Central California Research Grant. Amount funded \$9,245.00.

Hegde, M. N., & Roberts, S. D. (2001). *Stuttering study in young children*, Valley Children's Hospital Pediatric Medical Research Grant. Amount funded \$4,340.00.

Roberts, S. D., & Hutchison, H. T. (1999). *Pediatric/family centered-care survey instrument: Content validity study*, Valley Children's Hospital Pediatric Medical Research Grant. Amount funded \$2,800.00

Roberts, S. D., & Hutchison, H. T. (1999). *The FRESNO: Development of a computerized training program*, Valley Children's Hospital Pediatric Medical Research Grant. Amount funded \$3,800.00.

Roberts, S. D., & Hutchison, H. T. (1998). *The functional rehabilitation evaluation of sensori-neurologic outcomes (FRESNO): Normative study*, Valley Children's Hospital Pediatric Medical Research Grant. Amount funded \$5,000.00

Roberts, S. D., & Hutchison, H. T. (1997). *National beta site study with the FRESNO instrument*, Valley Children's Hospital Pediatric Medical Research Grant. Amount funded \$8,600.00.

Roberts, S. D., & Hutchison, H. T. (1994). *Development and inter-rater reliability of the functional rehabilitation evaluation of sensori-neurologic outcomes (FRESNO): A pediatric functional assessment Instrument*, Valley Children's Hospital Pediatric Medical Research Grant. Amount funded \$5,000.00.

Roberts, S. D. (1988). *Audiologic counseling and work-readiness program for hearing-impaired young adults*, California State Department of Rehabilitation Grant. Amount funded \$53,171.00.

Roberts, S. D. (1988). *Work-readiness for hearing-impaired young adults*, California State Department of Rehabilitation Grant. Amount funded \$72,030.00.

Poster presented at the 2017 Celebrating our Engagement: A Showcase of Research and Creative Activities Event, Fresno State, Fresno, CA.

Roberts, S. D., Delich, N. A., & Danisi, C. (April, 2017). *Development of a Content Valid Interview Questionnaire for Hard of Hearing Adults and Their Communication Partners*. Poster presented at the 2017 Central California Research Symposium, Fresno, CA.

Roberts, S. D., Limon, J., & Lindsey, P. T. (April, 2017). *Assessing Student And Healthcare Professional Interprofessional Education Learning Using The Interprofessional Education Collaboration (IPEC) Survey*. Poster presented at the 2017 Celebrating our Engagement: A Showcase of Research and Creative Activities Event, Fresno State, Fresno, CA.

Roberts, S. D., Limon, J., Lindsey, P. T., Vermeltoort, D., Hironaka-Juteau, J., Lowe, M., & Hayden-Pugh, B. (April, 2017). *Valley Children's Healthcare And California State University, Fresno's College Of Health And Human Services Partnership: Interprofessional Education Collaborative*. Poster presented at the 2017 Celebrating our Engagement: A Showcase of Research and Creative Activities Event, Fresno State, Fresno, CA.

Delich, N. A., & Roberts, S. D. (2016). *Application of self-efficacy theory in counseling deaf and hard of hearing students*. E-Poster presented at the International Conference on Education of the Deaf and Hearing Impaired, Paris, France.

Delich, N. A., & Roberts, S. D. (2016). *Clinical social work with deaf and hard of hearing students: Implications for teachers*. Workshop presented at the California Educators of the Deaf and Hard of Hearing 2016 CAL-ED Conference, California State University, Fresno, California.

Roberts, S. D., & Cavazos, C. (2016). *Profession of audiology*. Workshop presented at National Students Speech-Language and Hearing Association (NSSHLA), California State University, Fresno, California.

Roberts, S. D., & Delich, N. A. (2016). *Effective communication skills in professional, parent and child relationships: Part I*. Workshop presented at the California Educators of the Deaf and Hard of Hearing 2016 CAL-ED Conference, California State University, Fresno, California.

Roberts, S. D., & Delich, N. A. (2016). *Effective Communication Skills in Professional, Parent and Child Relationships: Part II*. Workshop presented at the California Educators of the Deaf and Hard of Hearing 2016 CAL-ED Conference, California State University, Fresno, California.

Roberts, S. D. (2015). *Effective communication in communicative disorders: Solution-focused goal setting*. Workshop presented at National Students Speech-Language and Hearing Association (NSSHLA), California State University, Fresno, California.

Roberts, S. D. (2015). *Effective communication in communicative disorders*. Workshop presented at National Students Speech-Language and Hearing Association (NSSHLA), California State University, Fresno, California.

Roberts, S. D., & Cavazos, C. (2014). *Profession of audiology*. Workshop presented at National Students Speech-Language and Hearing Association (NSSHLA), California State University, Fresno, California.

Roberts, S. D. (2013). *Effective communication in communicative disorders*. Workshop presented at National Students Speech-Language and Hearing Association (NSSHLA), California State University, Fresno, California.

Roberts, S. D. (2012). *Effective communication in communicative disorders*. Workshop presented at National Students Speech-Language and Hearing Association (NSSHLA), California State University, Fresno, California.

Roberts, S. D. (2011). *Effective communication in communicative disorders*. Workshop presented at National Students Speech-Language and Hearing Association (NSSHLA), California State University, Fresno, California.

Roberts, S. D. (2010). *Effective communication in communicative disorders*. Workshop presented at National Students Speech-Language and Hearing Association (NSSHLA), California State University, Fresno, California.

Roberts, S. D. (2009). *Effective communication in communicative disorders*. Workshop presented at National Students Speech-Language and Hearing Association (NSSHLA), California State University, Fresno, California.

Roberts, S. D. (2008). *Effective communication in communicative disorders*. Workshop presented at National Students Speech-Language and Hearing Association (NSSHLA), California State University, Fresno, California.

Roberts, S. D. (2008). *Effective communication for managers and leaders*. Workshop presented at US Script, Fresno, California.

Roberts, S. D., & Vermeltoort, D. (2003). *Development of a pediatric/family-centered care survey instrument*. Seminar presented at the 1st International Conference on Family-Centered Care: Advancing the Quality of Health Care in the 21st Century, Boston, Massachusetts.

Roberts, S. D., & Hutchison, H. T., & Wells, R. D. (2002). *The functional rehabilitation evaluation of sensori-neurologic outcomes (FRESNO)*. Paper presented at the Children's Hospital Rehabilitation Conference: Outcomes and School Reintegration, Columbus, Ohio.

Roberts, S. D., Hutchison, H. T., & Wells, R. D. (2002). *Normative data for interpreting the functional rehabilitation evaluation of sensori-neurologic outcomes (FRESNO)*. Poster session presented at the 3rd World Congress in Neurological Rehabilitation, Venice, Italy.

Wells, R. D., Roberts, S. D., & Hutchison, H. T. (2002). *Goal setting and achievement for children and adolescents hospitalized for traumatic brain injury*. Poster session presented at the 3rd World Congress in Neurological Rehabilitation, Venice, Italy.

Hutchison, H. T., Roberts, S. D., & Wells, R. D. (2002). *Caregiver competence measure (CCM): A measure of parent competence for requisite skills before discharging pediatric rehabilitation patients*. Poster session presented at the 3rd World Congress in Neurological Rehabilitation, Venice, Italy.

Hegde, M. N., Ploharz, C., Provencio, M., Smith, C., Roberts, S., & Garbarino, W. (2001b). *Early intervention for stuttering: An experimental study*. Presentation at the College of Health and Human Services Research Symposium.

Roberts, S. D. & Vermeltoort, D. (2001). *Reliability and validity of a pediatric/family-centered care survey instrument*. Seminar presented at the 16th Annual Nursing Conference, California State University, Fresno, California.

Roberts, S. D., & Vermeltoort, D. (2001). *Development of a family-centered care survey instrument*. Paper presented at the 22nd Central California Research Symposium, Fresno, California

Roberts, S. D. & Vermeltoort, D. (2001). *Development of a pediatric/family-centered care survey instrument: A content validity study*. Seminar presented at the MassGeneral Hospital for Children

Conference 2001- Humanizing Healthcare for Children and Families: Mentoring for our Future, Boston, Massachusetts.

Garbarino, W., Roberts, S., Wells, R., & Hutchison, H. T. (2001). *Goal setting and achievement in children and teenagers hospitalized for traumatic brain injury*. Paper presented at the 22nd Central California Research Symposium, Fresno, California.

Matlock-Hightower, C., Wells, R., Roberts, S., Dahl, B., Liu, W., & Coleman, N. (2001). *Assessing and improving asthma caregiver competence*. Paper presented at the 22nd Central California Research Symposium, Fresno, California.

Roberts, S. D. (2001). *Development of the children's measure of participation (CAMP)*. Workshop presented to the Children's Hospitals of California Rehabilitation Forum, Valley Children's Hospital Madera, California.

Crowl, G. W., Roberts, S. D., Hutchison, H. T., & Wells, R. (2000). *Utilizing functional outcome measures to monitor functional improvement in children across the care continuum*. Poster session presented at the American Academy of Physical Medicine and Rehabilitation 62nd Annual Assembly, San Francisco, California.

Crowl, G.W., Roberts, S. D., Hutchison, H. T., & Wells, R. (2000). *The FRESNO caregiver competency measure (CCM)*. Poster session presented at the American Academy of Physical Medicine and Rehabilitation 62nd Annual Assembly, San Francisco, California.

Roberts, S. D. & Hutchison, H. T. (2000). *The conceptual framework of the FRESNO outcomes measurement system and the caregiver competency measure (CCM)*. Workshop presented at Denver Children's Hospital, Denver, Colorado.

Roberts, S. D. & Hutchison, H. T. (2000). *The FRESNO outcomes measurement system: Use in a pediatric/family-centered rehabilitation program*. Workshop presented at the Boston 2000 Healthcare in Children Conference, Boston, Massachusetts.

Roberts, S. D. & Hutchison, H. T. (1998). *Treatment outcomes: Making them work for you*. Workshop presented at the 1998 ASHA Leadership in Service Delivery Conference, Tucson, Arizona.

Hutchison, H. T., Roberts, S. D., Wells, R. D., Brown, I. D., & Bryant, J. D. (1998). *Functional rehabilitation evaluation of sensori-neurologic outcomes*. Poster Session presented at the American Society of NeuroRehabilitation, Minneapolis, Minnesota.

Roberts, S. D. & Wells, R. D. (1998). *Reliability and validity of a functional measure for pediatric rehabilitation*. Paper presented at the Central California Research Symposium, Fresno, California.

Roberts, S. D. & Hutchison, H. T. (1998). *The FRESNO: A pediatric functional assessment tool*. Grand Rounds workshop presented at the Rancho Los Amigo Rehabilitation Hospital, Downey, California.

Roberts, S. D. (1998). *Conceptual framework, reliability and validity of the FRESNO*. Seminar presented at Elk Grove School District, Elk Grove, California.

Roberts, S. D. (1998). *Conceptual framework, reliability and validity of the FRESNO*. Seminar presented at Tulare County Interagency Network Coalition, Merced, California.

Roberts, S. D. (1997 and 1998). *Conceptual framework, reliability and validity of the FRESNO*. Seminar presented at Merced County of Education, Merced, California.

Roberts, S. D. (1997). *Conceptual framework, reliability and validity of the FRESNO*. Seminar presented at the California Speech-Language-Hearing Directors Council, Children's Hospital Orange County, Orange, California.

Roberts, S. D., & Hutchison, H. T. (1997). *The FRESNO: A pediatric functional assessment tool*. Three Grand Rounds workshops presented at the Children's Hospital Los Angeles, Los Angeles, California.

Roberts, S. D., & Hutchison, H. T. (1997). *The FRESNO: A pediatric functional assessment tool*. Two workshops presented at the CARF 1997 Standards and Best Practices in Medical Rehabilitation Conference, Tucson, Arizona.

Roberts, S.D. (1997). *Coping with loss and the shattered dream*. Workshop presented to the Clovis Unified School District Early Intervention Program, Clovis, California.

Roberts, S.D. (1996). *Functional rehabilitation evaluation of sensori-neurologic outcomes (FRESNO) scale: A pediatric assessment instrument*. Seminar presented at the California Speech and Hearing Association Conference (District 5), Fresno, California.

Roberts, S. D. (1995). *Continuous quality improvement in rehabilitation services: The PDCA model*. Seminar presented at the Health Care Resource Group Conference, Anaheim, California.

Roberts, S. D. & Bryant, J. D. (1995). *Identification and management of hearing-impaired infants*. Seminar presented to the UCSF Medical Education Program Grand Rounds, Fresno, California.

Roberts, S. D. (1992). *Identification and management of hearing-impaired infants*. Seminar presented to the UCSF Medical Residency Program, Fresno, California.

Bryant, J. D. & Roberts, S. D. (1991). *Bibliotherapy: An adjunct to audiologic counseling*. Paper presented to Academy of Rehabilitative Audiology Summer Institute, Austin, Texas.

Roberts, S. D. (1991). *Audiologic counseling and work-readiness program for hard of hearing adolescents*. Paper presented to the Annual Convention of American Academy of Audiology, Denver, Colorado.

Roberts, S. D. & Brown, I. (1991). *Identification and management of the inattentive child: A neuropsychologic and audiologic perspective*. Seminar presented at the Fresno County Office of Education Institute Day, Fresno, California.

Roberts, S. D., Bryant, J. D., & Pinkerton, S. (1991). *Special considerations in selecting, fitting, and verifying amplification systems in children*. Seminar presented at the Hearing Aid Association of California Annual Convention and Educational Seminar, Sacramento, California.

Gray, S. & Roberts, S. D. (1991). *Power and politics of productivity measures*. Seminar presented at the California Speech-Language-Hearing Association State Convention, Long Beach, California.

Roberts, S. D. & Bouchard, K. R. (1990). *Special considerations in selecting, fitting and verifying amplification systems with children*. Seminar presented at the 25th Anniversary of Wayne State University Department of Audiology Conference, Detroit, Michigan.

Roberts, S. D., Bryant, J. D., & Pinkerton, S. (1990). *Successful fittings for children*. Seminar presented at the Hearing Aid Association of California Annual Convention and Educational Seminar, Costa Mesa, California.

Roberts, S. D., Bryant, J. D., & Pinkerton, S. (1990). *Participation with the "team" in the diagnosis, fitting, and follow-up for hearing impaired youth*. Seminar presented at Tahoe Time IV, Accepting the Scientific and Humanistic Advances in Our Field, South Lake Tahoe, Nevada.

Roberts, S. D. (1989). *Identification and management of speech, language, and hearing problems in children*. Pediatric Update presented at Continuing Medical Education, Fresno, California.

Roberts, S. D. (1989). *Rehabilitation counseling and work-readiness program*. Seminar presented at the Alexander Graham Bell Association State Conference, Fresno, California.

Roberts, S. D. & Bouchard, K. R. (1989). *Establishing effective communication skills in audiologic habilitation*. Seminar presented at the Academy of Rehabilitative Audiology Summer Institute, Austin, Texas.

Roberts, S. D. (1988). *Counseling approaches in rehabilitative audiology*. Workshop presented at the Children's Hospital, Cincinnati, Ohio.

Roberts, S. D. & Wharton, L. (1988). *Audiologic counseling and work-readiness program for hearing impaired adolescents*. Workshop presented at the Third Annual Conference on Habilitation and Rehabilitation of Hard of Hearing and Deaf Adolescents, Little Rock, Arkansas.

Roberts, S. D., Bryant, J. D., & Arnst, D. (1988). *Audiologic counseling in patient management*. Workshop presented at the Annual Convention of the California Speech-Language-Hearing Association, San Francisco, California.

Roberts, S. D. & Bryant, J. D. (1988). *Audiologic counseling in patient management*. Workshop presented at the Annual Convention of the California Association for Teachers of the Hearing-Impaired, Santa Clara, California.

Roberts, S. D. Moreno, C., & Berg-Mattos, W. (1988). *Identification and management of hearing-impaired children*. Workshop presented at the Child Care Provider's Conference, Fresno, California.

Roberts, S. D. (1987). *Tympanometry screening in the schools*. Seminar presented at Fresno Unified School District and Fresno County Office of Education Nursing Inservice Workshop, Fresno, California.

Roberts, S. D. (1986). *Therapeutic metaphors*. Paper presented at the Academy of Rehabilitative Audiology Summer Institute, Lake Geneva, Wisconsin.

Roberts, S. D. (1986). *Meta model: A linguistic approach to parent counseling*. Paper presented at the Pediatric Audiology Update, Newport, Rhode Island.

Roberts, S. D. (1986). *Linguistic approaches to audiologic counseling*. Workshop presented at the Central Valley Audiology Association Meeting, Fresno, California.

Roberts, S. D. (1986). *Counseling techniques and strategies*. Workshop presented at the Annual Convention of the International Academy of Oral Myology, Honolulu, Hawaii.

Roberts, S. D. (1986). *Counseling techniques and strategies*. Workshop presented at the International Association of Oral Myology, San Diego, California.

Roberts, S. D. & Bryant, J. D. (1986). *Assistive listening devices and systems*. Workshop presented to the California State Department of Rehabilitation, Fresno, California.

Roberts, S. D. (1985). *Networking*. Workshop presented to the Professional Development and Dissemination Conference, Fresno, California.

Roberts, S. D. & Eha, M. (1985). *Central auditory processing: Management techniques*. Workshop presented at the Transformation and Trends Conference, Fresno City College, Fresno, California.

Roberts, S. D. (1984). *Neurolinguistic programming*. Workshop presented at the Transformation and Trends Conference, Fresno City College, Fresno, California.

Roberts, S. D. (1984). *Neurolinguistic programming*. Seminar presented at Fresno Unified School District Special Education Teachers Inservice Workshop, Fresno, California.

Roberts, S. D. (1984). *Who's running the family?* Seminar presented at Fresno Unified School District Special Education Teachers Inservice Workshop, Fresno, California.

Roberts, S. D., Kelly, B., Parker, R., Snyder, D., Punnett, A., & Eha, M. (1984). *Central auditory processing: Interpretation and management*. Two-day seminar presented at California State University, Fresno, California.

Roberts, S. D. (1983-1987). *What is a hearing loss?* Seminar presented at California State Department of Social Services Disability Evaluation Workshop, Fresno, California.

Roberts, S. D., Kelly, B., Parker, R., Snyder, D., Punnett, A., & Eha, M. (1983). *Central auditory processing: Interpretation and management*. Two-day seminar presented at California State University, Fresno, California.

Foushee, D. R., Roberts, S. D., & Jensen, K. M. (1982). *A model approach: The transdisciplinary communicative disorders assessment team for children with birth defects*. Seminar presented at the Annual Convention of the California Speech-Language-Hearing Association, Monterey, California.

Roberts, S. D. & Oh, D. (1980). *Identification and management of hearing-impaired infants*. Workshop presented at the California State Council for Exceptional Children Convention, Fresno, California.

Roberts, S. D. (1980-1994). *Pediatric audiology: Behavioral and electrophysiologic assessment*. Workshop presented at the UCSF Fresno- Central San Joaquin Valley Medical Education Program. Fresno, California.

Roberts, S. D., McClung, B. J., & Timmons, J. (1977). *Publication trends in JSHR*. Paper presented at the Annual Convention of the American Speech-Language-Hearing Association, Chicago, Illinois.

Roberts, S. D., Robinette, M. A., & Mahoney, T. (1976). *Incidence of middle ear pathology and hearing loss among migrant children*. Paper presented at the Annual Convention of the American Speech-Language-Hearing Association, Houston, Texas.

PROFESSIONAL HONORS AND SPECIAL AWARDS

22nd Outstanding Faculty Publications, Fresno State Madden Library. Honored as second author for peer-reviewed article: Delich, N. A., & Roberts, S.D. (2019). An Interprofessional collaborative approach to the development of a content valid interview questionnaire for hard of hearing adults and their communication partners. *Journal of the American Deafness and Rehabilitation Association*, 53(1), 3-21.

21st Outstanding Faculty Publications, Fresno State Madden Library. Honored as first author for peer-reviewed article: Roberts, S. D., Lindsey, P., & Limon, J. (2018). Assessing students' and health professionals' competency learning from interprofessional education collaborative workshops. *Journal of Interprofessional Care*, 33(1), 38-46.

21st Outstanding Faculty Publications, Fresno State Madden Library. Honored as second author for peer-reviewed article: Delich, N. A., & Roberts, S. D. (2017). Empowering students through the application of self-efficacy theory in school social work: An intervention model. *International Journal of School Social Work*, 1(4), 1-19.

Certificate of Best Presentation Award, co-presented paper with Dr. Nancy A. Delich titled, "*Application of Self-Efficacy Theory in Counseling Deaf and Hard of Hearing Students*," 18th International Conference on Education of Deaf and Hearing Impaired, Paris, France, June 2016.

Friend of CSUF Communicative Disorders and Deaf Studies Award (Exemplarity Service), California State University, Fresno, Graduation Commencement Ceremony, May 2007.

Louis B. DiCarlo Award (Outstanding Clinical Service), California Speech-Language-Hearing Association, April, 2001.

Louis B. DiCarlo ASHA Award Nominee (Outstanding Clinical Service), American Speech-Language-Hearing Association, November, 2001.

Outstanding Service Award, Leadership Fresno, Class XVI, Chamber of Commerce, June, 2000.

Outstanding Service Award, California Speech-Language-Hearing Association, April, 1991.

Award of Special Recognition, California State University, Fresno, Department of Communicative Disorders, 1987.

Dedicated Service Award, Fresno Unified School District Hearing-Impaired Program, June, 1983.

Certificate of Commendation, Fresno County Office of Education and Fresno Unified School District, April, 1983.
