Collaborative Works/Projects (with public schools, community agencies, etc.)

I'm the director of the Scout Island Outdoor Education Center. I oversee the coordination of field trips, develop curriculum, work with teachers and administrators pre and post field trip and operate the 85 acre outdoor facility. We host ~24,000 students annually from schools and districts all over the Valley. I provide science professional development for K-12 teachers through the science PLC's we host at Scout Island. These are attended by hundreds of teachers from every district in Fresno County.

Collegial Works/Projects (i.e., grants, articles, conference presentations, etc.)

Professional Development

Honors (Optional)

1996 Fresno County Teacher of the Year

1997 California State Teacher of the Year

1997 Kremen School Top Dog Award

1998 CSU Outstanding Alumni Educator Award
