### **Collaborative Works/Projects (with public schools, community agencies, etc.)**

1. *Outstanding Beyond the Fields. Wrote a book documenting over forty years of work with over 200,000 migrant students that were impacted by our outdoor/environmental education programs.*
2. *California Teaching Fellows: I co-created the Teaching Fellows program in 1997 with Steve Price. This program was based on my work with the California Mini-Corps Program and research I conducted at the University of Southern California. The first ten years of its existence was led by my efforts in institutionalizing it as a support system for schools in the Central Valley.*
3. *Education and Leadership Fellows: The original Teaching Fellows program is now partnering with the ELF foundation to provide educational support services to central valley schools.*
