Collaborative Works/Projects (with public schools, community agencies, etc.)

2016-2018 Step up to Teach; For new and aspiring teachers. The program was created through the district to support teachers as they obtain their credentials and start in the classroom. I provided ongoing support to encourage teacher growth, monthly workshops/presentations, and ongoing real-time support of strategies and skills to be used in the K-12 classroom.

Collegial Works/Projects (i.e., grants, articles, conference presentations, etc.)

Professional Development

Attended MTSS conference with credential program coordinators. Collaborated with other CSU's around the state to determine how MTSS can be implemented in credential programs.

Honors (Optional)

District award for Excellence in Education- 2012
