

Our District Partners' Voices

Practitioner Participation Survey-September 19, 2019

Q1: What effective qualities and skills do you see in candidates that have graduated from Fresno State's Administrative Credential Program?

Q2: Based on the California Administrator Performance Expectations (CAPEs), what are the characteristics that are most important to you and your districts? Circle the top three.

Visionary Leadership

Instructional Leadership

School Improvement Leadership

Professional Learning & Growth Leadership

Organizational & Systems Leadership

Community Leadership

Q3: Are you able to participate in a community partnership discussion group to outline district needs for school administrators in either an in-person or virtual format no more than twice a year?

[] Yes, I would like to participate in 2 focus meetings to discuss district administrator needs and program goals.
