- Satisfactory post session interview tonight and drop-in interview in Clovis later

Financial Aid and Scholarships Available

- Grants
- Loans
- Scholarships available

Multiple Subject Residency

What is CLSP?

“Teaching and leading in such a way that more of your students, across more of their diversity and languages, achieve at a high level and engage at a deeper level, more of the time, WITHOUT giving up who they are.” [Barker et.al.]

- Classroom students realize that they are unique, valued, and bring different skill sets that they can offer to the class, school, and their communities

Culturally and Linguistically Responsive Teaching and Learning

What Does It Look Like?

- **Rigorous 2 semester compressed program** focusing on integrating culturally and linguistically sustaining practices into teaching
 - Unit overload both semesters
- Courses and student teaching at **Miramonte Elementary School**
 - No stipend
 - Possible offer of employment in district after program completion

CLSP Clinical Practice Hours

- **General education classroom student teaching begins day 1**
 - Keep same schedule as teachers at the site
 - Student teaching will be mixed in with classes during the week

Start-End dates

- **August 6-7** university meetings
- **August 10 – June 4**
[school schedule]

**Meet Laura
Hart,
Principal**

**Welcome and
additional comments**

Dual Residency

Dual Program

2 credentials in one streamlined program

- **Multiple Subject** grades K-grade 8 GE
- **Education Specialist** grades K-age 22 in special education, co-teaching in GE or support in inclusive settings
 - **Streamlined MA** option after program completion

What Does it Look Like?
