Fresno State Teacher Residency Collaborative Information Session

Do you want to become a kindergarten, elementary, or middle school teacher? Fresno State offers teacher residency programs that span across the valley.

Join us on Tuesday, February 16 for a Fresno State Teacher Residency Collaborative Information Session from 4:00 PM - 5:30 PM.

Zoom

Meeting ID: 959 8127 8634

Passcode: 302107

District Partnerships

Clovis, Firebaugh, Fresno, Golden Plains, Kerman, Madera, Mendota & Sanger

Our nationally accredited credential programs prepare candidates to teach in culturally and linguistically diverse communities. Teacher residencies are intensive preservice preparation where residents become members of the school community on day-one and contribute to the community throughout their

teacher preparation. The strong relationships residents build with their district partners also give them priority in future employment opportunities. Resident graduates are highly sought after for hire!

This collaborative information session will provide you with an overview of our teacher residency programs, admissions requirements, and you can join a breakout room to learn more about individual district partners and how to apply.

Questions?

Email our Admissions Advisor at ivyf@csufresno.edu.
