Dear Dr. Castro:

The Board of Directors of the Council for Accreditation of Counseling and Related Educational Programs (CACREP) met July 12-14, 2018, for the purpose of making accreditation decisions. At this meeting, the Board reviewed the Interim Report submitted by the Department of Counselor Education and Rehabilitation housed in the Kremen School of Education and Human Development at California State University, Fresno. This report was required to more fully address standards cited in the accreditation decision letter that was sent to your office and dated July 31, 2017. The report specifically addressed standards related to the accreditation of the Clinical Mental Health Counseling and Clinical Rehabilitation Counseling (M.S. degree) program area.

Based on its review of the report and supporting documentation, the Board accepted the report and made a decision to extend the accredited status of the program area through the remainder of the accreditation cycle ending October 31, 2023.

A revised certificate of accreditation will be enclosed with Dr. Alamillo's copy of this letter. Once again, the Board extends its thanks to you and your administration for the support given to the faculty in maintaining the accredited status of the counseling program area. Such support is considered vital to assuring continued quality in higher education programs.

Sincerely,

M. Sylvia Fernandez, Ph.D.
President and CEO
