Course Substitution Requirements

To request a course substitution after you have been admitted to our credential program, please complete and email all of the following to the Education Specialist Coordinator as one attachment: **[1] a copy of unofficial transcripts from the previous university where you completed the substitution courses, [2] a copy their course syllabus; [3] a copy of their course catalog description [4] If the coursework was taken outside of Fresno State, a letter of good standing on letterhead stationery from their Program Coordinator or Credential Analyst. The letter is *not* needed for substitution requests for SPED 120 and/or CI 100 prerequisite courses.**

Unit Information for Substitution Requests

- No unit limit for applicable credential coursework from any California State University that meets the Fresno State program requirements, if approved by the Coordinator.
- Up to 6 units limit for credential coursework from other than a California State University that meets the Fresno State program requirements, if approved by the Coordinator.
