CONFERRING OF
DEGREES

Saúl Jiménez-Sandoval

RECESSIONAL

To Thee Our Alma Mater

Let us in song, our voices raise

In cloistered courts, to sound thy praise.

Each voice and heart that sings is true

To thee, oh, Cardinal and Blue.

For thee, our hopes and memories;

For thee, our hearts and loyalties.

Thy sons and daughters hail thee great,

Our Alma Mater, Fresno State!

Message for the Dean

Congratulations, Class of 2024! It is with great joy and pride that we celebrate you today. The degree you receive today is a testament to your hard work and intelligence. You are joining a distinguished group of Kremen alumni who serve in education, counseling, and leadership positions throughout this valley and state. You are also joining the Kremen family. We are here to support you as you move into the next stage of your life.

While we recognize your success today, I would also like you to recognize all those who helped you get here. Whether that be parents, relatives, friends, or teachers, please let them know how they helped you reach your goals. The best way to thank them is to be that role for someone else. Encourage and support those people in your life who are trying to achieve their personal goals.

Your degree attests to your achievements, but with it also comes the responsibility to put your knowledge into action. The Kremen School's mission is dedicated to building strong and just communities through building strong and just individuals. Our graduates have an impact on every stage of human development and you will now also have that impact.

Fresno State started as a normal school in 1911. While the University has grown since then, the Kremen School continues the tradition and mission established 113 years ago of preparing students to serve others through education and the cultivation of human potential. Be proud of who you are and work with confidence to improve yourself, the people you serve, and the place where you live.

Dean La Porta

Message for the Associate Dean

Class of 2024, you did it! Congratulations on this great milestone. As I'm typing this a few hours before your commencement, I want to leave you with a Hmong proverb, “Kev kawm txuj yog kev tsim nuj, kev kawm ci yog kev tsim nqi.” These are words of wisdom given to children and sung in traditional songs to teach the next generations that education is worthwhile and the key to success. Although it may have been time consuming, exhausting, and anxiety provoking during your studies, know that it was worth it! Know that you are worth it! You have now earned the key to your career as a teacher, counselor, or leader in our diverse community. We wish you the best in all that you do. We are proud to call you one of our Kremen School of Education and Human Development graduates! Go Bulldogs!

Belen Torres

Graduate Dean's Medalist

M.S. in Counseling, option in Student Affairs and College Counseling program

Belen Torres, a graduate student in the Kremen School of Education and Human Development's M.S. in Counseling, option in Student Affairs and College Counseling program, has been selected as this year's Dean's Medalist, a recognition of her outstanding achievements and contributions to the academic community. As a first-generation student, Belen's journey to becoming the Dean's Medalist was paved with impactful experiences and achievements. Her dedication to her roles as a Recruitment Assistant at California State University, Fresno, and as a Program Specialist Assistant at TRIO Upward Bound Program at Fresno City College exemplifies her hard work and commitment to student success. Belen's promotion within the admissions and recruitment office, coupled with her research experience, showcases her unwavering dedication to making a positive impact. Looking ahead, Belen's aspirations extend beyond her academic pursuits. With a goal to pursue a Ph.D. and become a professor, she envisions herself as a mentor and advocate for students from diverse backgrounds. Through her continued research and engagement, Belen plans to spearhead initiatives that promote equity and inclusivity in higher education, leaving a lasting impact on future generations.

Andrea Barnett

Undergraduate Dean's Medalist Liberal Studies Program

Selected as the Undergraduate Dean's Medalist for the Kremen School of Education and Human Development, Andrea Barnett's story is one of resilience, dedication, and a profound commitment to service. A mother of two, Barnett's journey through education has been nothing short of extraordinary, marked by perseverance, and an unwavering commitment to her goals. Motivated by her son's journey through education, she embarked on a path that would lead her to a BA in Liberal Studies, laying the groundwork for her future endeavors in teaching. Barnett's educational journey began at a Community College, where she graduated with an impressive four associate degrees in History, Social Sciences, Elementary Teacher Education, and Liberal Studies. Her contributions extend beyond the classroom, as Barnett has actively fostered collaboration and inclusivity within her academic community. As a tutor in the Learning Center, she spearheaded initiatives to create a comprehensive student success site, providing valuable resources for students across disciplines. Barnett's role also as a Peer Ambassador of Wellness at the Student Health and Counseling Center epitomizes her commitment to holistic well-being, both for herself and her community. Barnett aspires to be admitted into the [Rural Residency Program](#) through the Kremen School.
