Two Year Program!

Get your Bachelor's Degree in Liberal Studies and Multiple Subject Teaching Credential at the Fresno State Visalia Campus.

The Fresno State South Valley **Integrated Teacher Education Program** (ITEP) allows students to complete their first two years of college work at one of our partner community colleges: College of the Sequoias, Porterville College and West Hills College Lemoore. Students then transfer to Fresno State and complete their remaining coursework in an accelerated two-year program at the Fresno State Visalia Campus.

ITEP allows transfer students to graduate in just two additional years – all without having to drive to Fresno.
