What Happens Next After I Submit My Credential Application

Applications are processed in the order they are received. Processing time can take up to 20 business days during peak periods (January – March, June – September).

After the Credential Analyst recommends your credential application to the Commission on Teacher Credentialing (CTC), you will receive three email notifications.

CTC Email #1: You will receive an automated email from the CTC titled “**CTC Notice – Recommendation for New Document**”.

ACTION REQUIRED Follow the instructions in this email to complete your part of the online process (Complete Your Program’s Recommendation).

CTC Fee: The CTC fee for your credential is **\$102.65**. A valid email and credit/debit card are required. You will only be allowed to pay the fee after you have received this email notification.

HELPFUL TIPS!

- Review the Document Title and Term in the email for accuracy.
- Review the steps for “**Locate Your Recommendation or Application**” and “**Complete Your Recommendation or Application**” ([LINK](#)) before proceeding as you may apply for the incorrect credential and will have to pay the fee again. There are no refunds.
- Keep in mind you are **not** applying for a Certificate of Clearance or Activity Supervisor.
- **The recommendation of a credential expires within 90 days of it being recommended.** CTC will delete your application from their system if you do not complete your part of the online process. You will need to pay the \$25 processing fee again for the Credential Analyst to re-submit your credential application.

CTC Email #2: Payment Confirmation

If currently employed, prior to receiving the final email, your local County Office of Education (COE) credentials department will accept this payment confirmation email as a temporary confirmation until your document number is issued.

If you have a conviction record or you have answered yes to any of the fitness questions, your application process may be delayed as CTC verifies your information.

CTC Email #3: “Notification of Credential Issuance”

After CTC completes their review, you will receive your document number. If currently employed, ask your local COE credentials department if you need to register a copy of the final CTC email with your document number.

Fresno County: Submit this email to your school district employer.

The average processing time is approximately 7-10 days after payment.
