

Class of 20

23

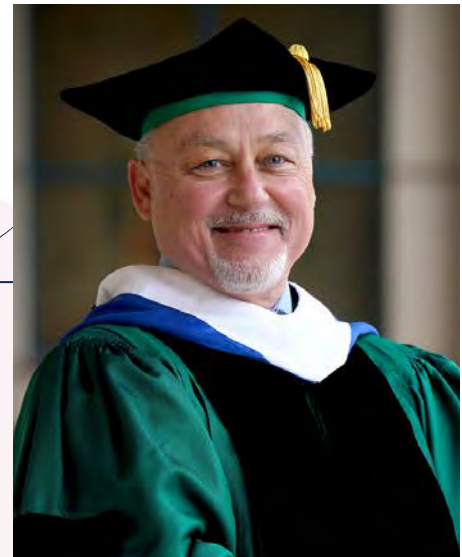

Kremen School of Education
and Human Development

Commencement Ceremony

May 19, 2023

Message from the

Dean

Welcome Graduates of the Kremen School of Education and Human Development, Class of 2023!

Today you are joining a long and illustrious legacy of quality educators, counselors, and leaders who are destined to change tomorrow. Today you are joining a long and illustrious legacy of quality educators, counselors, and leaders who are destined to change tomorrow. We gather here at this ceremony to pause and express our heartfelt congratulations from faculty, staff, and administration and join in the acknowledgement of your accomplishments. The Kremen School celebrates today with you, your friends, as your families and we share the pride of your recent completion of your degrees, credentials, and certificates. You are now a Fresno State graduate! You have all risen above the challenges that our current society is facing and stand as a beacon of hope for the rest of us. A global pandemic did not deter you. National and local incidents of racial discord and discrimination did not silence your voice. Despite the storms raging in our nation today, your effort, your care for one another, your unparalleled focus on the long term goal, and your character have brought you to this moment where we can join together and proclaim, "You did it!"

Guided by the mission to recruit and develop ethical leadership that transforms a diverse society, the Kremen School has achieved the highest level of national acclaim in counseling, in teaching, and in educational leadership. We have accomplished these and other accolades through close collaboration with our valued partners who help us cultivate rich learning experiences for our students. As you enter your profession, remember that Fresno State has a legacy of opening doors for so many and the Kremen School is a big part of that legacy of success.

As a Fresno State graduate, you are becoming an alumni of one of the most influential institutions of higher education in the State of California. Fresno State began in 1911 as a normal school—a place devoted wholly to the preparation of teachers. Now Fresno State has evolved into a Hispanic Serving Institution (HSI) and an Asian American Native American Pacific Islander Serving Institution (AANAPISI). As the saying goes, "A rising tide lifts all ships." Fresno State is dedicated to re-imagining what these two meritorious distinctions mean for serving our students and we know that we can all benefit from pouring into the lives of one another.

Kremen School graduates are special. You are accomplished, forward thinking, continuously seeking ways to improve yourselves and your surroundings. In the same way that teacher education led Fresno State to grow and to serve and to impact the broader community, we expect you as the Kremen School Alumni to continue to grow, and to serve, and to impact the communities where you land. We expect you to impact and change society...and when you do...we will stand and cheer with you.

Congratulations graduates! You have much to be proud of today.

Dean Randy Yerrick

Kremen School of Education and Human Development (KSOEHD)

Mission

We are a School of Education and Human Development committed to preparing students to professionally engage in critical practice, inquiry, and advocacy in teaching, counseling, and leadership. We collaborate with local, regional, national, and global communities to address issues of equity and social justice and to advance transformative educational research and practice.

Vision

We aim to become an exemplary School of Education and Human Development that creates culturally sustaining environments for students to promote just and equitable actions in their communities. We will be a partner of choice that fosters and strengthens reciprocal and collaborative relationships while honoring cultural, historical, linguistic, and communal diversity.

Retiring Faculty

Dr. Catherine Mathis is a full-time lecturer in the Department of Literacy, Early, Bilingual, and Special Education. As a specialist in Early Childhood Education, Dr. Mathis has served Kremen for 29 years as an instructor, consultant, and leader. She has served on numerous Kremen Committees and served as Program Coordinator for Early Childhood Education.

Dr. Joe Parks has served Kremen for 24 years as a Full Professor in the Department of Curriculum and Instruction. Dr. Parks has supervised student teachers, taught in the teacher credential program, and served as an instructor and researcher. He also served in numerous other capacities including the Chair of the Tenure and Promotion Committee for over a decade.

Dr. Nancy Akhavan is retiring as an Associate Professor of Educational Leadership in Kremen. Dr. Akhavan served in various roles prior to joining Kremen including Assistant Superintendent in Fresno Unified School District with supervising 15 middle schools and providing systems support to schools as a professional development facilitator and coach.

Dr. Cecilia Mendoza is retiring as an Assistant Professor of Educational Leadership in Kremen. Dr. Mendoza received her doctorate degree from California State University-East Bay and has served in various roles prior to joining Kremen including seventeen years as a principal and Human Resources Executive Director.

Thank you for your contributions to KSOEHD!

Message from the

Associate Dean

It is with great honor that I share this moment with you and your loved ones, past and present, as you celebrate your achievements at Fresno State.

As I think about this momentous occasion, I can't help but reflect on the words of civil rights activist Dr. Audre Lorde: "When I dare to be powerful, to use my strength in the service of my vision, then it becomes less and less important whether I am afraid." Take this in because the future of our communities, our nation, and world, depend on what you do with your degrees, credentials, and certificates. More importantly, it depends on whether you choose to lift your voice and move with intentionality toward your next steps as rooted in your vision. You see, what you do in these next 3-5 years is crucial to not only your future but to mine, the person next to you, the person next to them, and so on. This may feel like a huge weight, but you don't have to bear it alone. You have people around you – and others you don't even know – who share your passion and will stand alongside you to make our communities a place for everyone, not just a place for some.

As you leave the halls of Fresno State, remember that your talents, gifts, passion, and actions are needed. I implore you to use your training and preparation not to simply collect a paycheck, but to be an agent of change in a world that is hungry for a leader like you. In the words of Dr. Angela Davis, "We must learn to lift as we climb," which is a call to action for us all.

Graduate, pursue excellence, and reach for success. You were born for it.
This time and moment are yours.

Congratulations, and I wish you all the best.

Dr. Jenelle S. Pitt Parker, Ph.D

Associate Dean, Kremen School of Education and Human Development

The National Anthem

The Star-Spangled Banner

*Oh, say can you see,
By the dawn's early light,
What so proudly we hailed
At the twilight's last gleaming,
Whose broad stripes and bright stars,
Thru the perilous fight,
O'er the ramparts we watched
Were so gallantly streaming?
And the rockets red glare,
The bombs bursting in air,
Gave proof through the night
That our flag was still there.
O, say, does that
Star-Spangled Banner yet wave
O'er the land of the free
And the home of the brave?*

Pictured above is the singer of tonight's National Anthem, Claire Bennett with her late father and educator, Mr. Chad Bennett. Claire is performing tonight to honor her dad and his legacy in education. She will be following in his footsteps to become a teacher of heart & mind, and continuing to impact lives just as he did as part of Fresno State's Class of 2023.

Standard Bearers

Two Bachelor of Arts in Liberal Studies students are awarded the standard bearers title each year for their outstanding achievements in their studies.

Harnoor Grewal

Harnoor Grewal, currently Dual Credentials Program student who graduated in December 2020 with Bachelor's in Liberal Studies. She got her first Bachelor's in India in Accounting and moved to United States in 2017. Her interest in education started after spending time in classrooms across different districts. Her experiences with students with special needs motivated her to be a part of Special Education and help those in need. Harnoor is trilingual, loves to draw portraits for friends. She likes to read and writes poetry in all different three languages. Spending time outdoors is something she likes to do in her free time.

Sophia Shirk

Sophia Shirk is a student in the Integrated Teaching Education Program. Sophia is graduating Summa Cum Laude and has earned her Bachelor's Degree in Liberal Studies and her Multiple Subject Teaching Credential. She will begin her first year of teaching with Lemoore Union Elementary School District in the Fall. Sophia is very excited about her future as a teacher, and cannot wait to get her classroom and students. She is honored to be recognized as a recipient of the Standard Bearer of the Kremen School of Education. She is so proud of her and her classmates' accomplishments at Fresno State!

Outstanding Student Research Awards

Outstanding Project

Rita Sotelo

Master of Arts in Teaching

Through the Lens of Students with and without Learning Disabilities & Co-Teachers: General and Special Education
Advisor: Dr. Earl Aguilera

Outstanding Thesis

Sade Johnson

Master of Arts in Higher Education Administration & Leadership

An Autoethnography: A Black Woman Student Transitioning to Black Married Mamahood While in Higher Education
Advisor: Dr. Varaxy Yi Borromeo

Outstanding Dissertation

Dr. José Maldonado

Doctor of Education in Educational Leadership

Fostering Familismo: The Role Familismo Plays in Latiné/x First Generation Transfer Student College Success
Committee: Drs. Selena Van Horn (Chair), Susana Hernández, & Luis González (Oxnard College)

Dean's Medalists

The eight schools and colleges at Fresno State, along with the Division of Student Affairs and Enrollment Management, select an outstanding student each year to honor as part of the Deans' Medalists. The deans select a graduate and undergraduate medalist based on academic excellence, community involvement and other achievements. Learn about Dean Yerrick's 2023 medalists below.

Undergraduate Dean's Medalist

Daisy Soto Hernandez

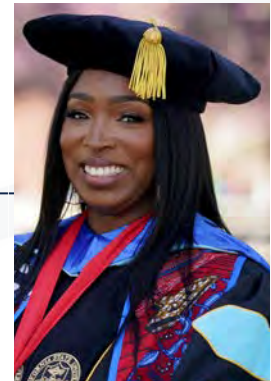

Bachelor of Arts in Liberal Studies - Summa Cum Laude
Fresno Teacher Residency Program, 2023
Multiple Subject and Bilingual Authorization Program - Spanish

Daisy was awarded a scholarship through the Smittcamp Family Honors college which enabled her to attend Fresno State and pursue her dream of becoming a teacher. She was given the opportunity to work as a student assistant in the Center for Advising and Student Services, a job which allowed her to become familiar with the opportunities provided for students pursuing a degree in education. As a Smittcamp Honors student, it is necessary to complete an honors project to graduate. With the assistance of Dr. Selena Van Horn, Daisy designed a children's book titled *Con Mis Ojos: Going to the Remate*. This book utilizes mixed media artwork and translanguaging to display the world through the eyes of an imaginative young girl who feels that those around her are suppressing her creativity. This project was something that Daisy and her colleague worked on for most of their undergraduate journey. It is set to be published sometime later this year. The research process for the book allowed Daisy and her colleague to present at the Make a Difference - Teach Conference in the spring of 2022, and also inspired Daisy's desire to become a bilingual educator. She is currently in her final semester of student teaching in the Fresno Teacher Residency Program. Daisy is planning on applying to the Kremen School's Master of Arts in Education program, option in Curriculum and Instruction before she goes on to pursue a doctoral degree.

Graduate Dean's Medalist

Dr. Oronne Nwaneri

Doctor of Education in Educational Leadership
Assistant Dean, Pasadena City College Northwest

Oronne Nwaneri, a proud product of South Los Angeles, earned her Ed.D in educational leadership with a 4.0 GPA. She previously earned her M.S. in higher education from California State Fullerton, and her B.A. in sociology from Cal Poly Pomona. As a high school student, Nwaneri always knew she would go to college, but never dreamed that she would earn a doctorate. She has worked in different higher education roles from student conduct, wellness, leadership programming and Upward Bound programming. Nwaneri applied to the Kremen School's educational leadership program at the encouragement of a former supervisor. She currently serves as the Assistant Dean of Pasadena City College's Northwest satellite campus. Despite being part of an online cohort, Nwaneri found ways to be involved at Fresno State from 200 miles away. She was invited to be on a virtual student and community panel that focused on the election and its effects on the community, and later served on the Dean's Graduate Student Advisory Committee. During the pandemic, she spearheaded a senior gift-giving drive, became a member of the NAACP, served on Pasadena City College's professional development shared governance Committee, participates in the President's African American Advisory Committee and serves as vice president of the Association of Black Employees at Pasadena City College, where she works. She also serves as a mentor to several women of color, encouraging them to pursue their dreams.

Educator's Affirmation

I DEDICATE myself to the life of an educator, to making a positive difference for successor generations in our diverse and technological society, and to providing knowledgeable leadership for that change.

I DEDICATE myself to the advancement of learning, for I know that such learning will provide the vision and the power to enhance and strengthen our democratic society.

I DEDICATE myself to the cultivation of character, for I know that ethical and academic excellence are best developed when our students and our colleagues engage through the highest principles of courage, compassion, collaboration, honesty, and critical thinking.

I UNDERSTAND that I must manifest by my own behavior the ideals I have dedicated myself to promote in others. In the presence of this gathering, and to the profession I seek to honor by my work, I commit myself to these ideals.

Alma Mater

*Let us in song, our voices raise
In cloistered courts, to sound thy praise.
Each voice and heart that sings is true
To thee, oh, Cardinal and Blue.
For thee, our hopes and memories;
For thee, our hearts and loyalties.
Thy sons and daughters hail thee great,
Our Alma Mater, Fresno State!*

Congratulations!
Class of **20**
