

# Multilingual Multicultural Education INFORMATION SESSIONS

## Master of Arts in Education Program- Multilingual Multicultural Education

Join us to learn about the benefits and highlights of the Master of Arts in Education, Option, Multilingual Multicultural Education (MME) program. The MME program prepares graduates to serve linguistically and culturally diverse (LCD) learners. They are also provided with a foundation in research and curriculum in order to promote equity in schools serving LCD learners. In addition, they are provided with an understanding on the role of leadership within a global education system.
