

## California Basic Educational Skills Test (CBEST) Resource List

This list is a compilation of many different **FREE** CBEST resources. It is a living document and will be updated with new free resources and updates to the exam as they become available. For more information on the CBEST contents, required scores, and registration, visit [CTCExams.nesinc.com](http://CTCExams.nesinc.com).

The current administration model of the California Basic Educational Skills Test (CBEST) computer-based test will be retired as of June 1, 2021.

Effective June 7, 2021, the CBEST will be administered as three separate subtests. Registration for test appointments on or after June 7, 2021, will be available beginning June 2, 2021.

The CBEST consists of 3 sections:

- Reading
- Mathematics
- Writing

You may take 1, 2, or all 3 sections in a single test session; you do not have to pass all 3 sections at a single administration.
